

# Basketry and Beyond South West Heritage Courses Booking Form

## Fowl Crate (bird basket)

This is a great opportunity to work with Hilary Burns to make a Fowl Crate (bird basket). The Fowl Crate is a travelling basket that was used for transporting poultry in small numbers. Made of buff willow and oval in shape the basket has two half-covers, one opening, one fixed and handles at either end. Techniques include an underfoot base, slewing and openwork on the sides, scalloming and fitting in the lid. The basket is interesting because of all the different weaves and details to be learnt.

This is part of our programme of events supported by the Heritage Lottery Fund. This course is particularly suited to basketmakers who would like to further their skills.

These courses aim to encourage, preserve and pass on the skills of the craft.
